 Warangal, Telangana

Career Objective

A motivated and enthusiastic engineering graduate seeking an entry-level opportunity in a reputed organization where I can apply my communication, analytical, and problem-solving skills in a non-technical role such as Service Desk, Customer Support, or Operations. I am eager to learn, adaptable, and ready to contribute positively to team success.

Education

B.Tech – Computer Science Engineering

Vaagdevi Engineering College, Warangal

Graduation: July 2025

CGPA:

Relevant Coursework: Communication Skills, Operating Systems, Basic Networking, Problem Solving, Data Analysis

Skills

- Excellent verbal and written communication
- Problem-solving and analytical thinking
- Basic understanding of computer systems and networks
- Good knowledge of Linux Server Installation process & command line.

- Good knowledge of relational databases like MySQL
- Tools: MS Office (Word, Excel, PowerPoint), Email, Google Workspace
- Languages Known: English, Telugu, Hindi

Projects

Railway Worker Detection System – Final Year Project

Used basic object detection with a team to support railway safety. Helped in documentation, testing, and presenting the results clearly.

Airline Satisfaction Analysis – Mini Project

Worked on analyzing survey data using tools like Excel and Python (basic level), and created charts to support findings.

Workshops & Activities

- Attended workshop on "Effective Communication & Group Discussion"
- Participated in technical paper presentations in college events
- Event volunteer in annual college fest
- Active participant in college-level soft skill training

Personal Strengths

- Quick learner and adaptable
- Confident and polite in communication
- Calm under pressure
- Team player with a positive attitude

Declaration

I hereby declare that the above information is true to the best of my knowledge.
